

## Registration Details

Industry Personnel : 1000/-

Academicians : 500/-

Research Scholars / Students : 400/-

Registration charge includes **Certificate of Participation, Lunch and High- tea.**

Interested participants are requested to fill the accompanying form and send the same to the Organizing Secretary.

Registration fee will be accepted only by Demand Draft drawn in favor of "**VIT University - Chennai Campus**", payable at **Chennai** along with the completed application form.

## LAST DATE FOR REGISTRATION

**On or before 12th, Nov, 2013**

## Address for Communication (DD & Registration Form)

The Organizing Secretaries,  
QTP Testing  
School of Computing Science &  
Engineering,  
VIT University - Chennai Campus,  
Vandalur - Kelambakkam Road,  
Chennai - 600 127.

## Organizing Secretaries

**V.VijayaKumar**, Professor,  
School of Computing Science and Engineering

## VIT University - Chennai Campus

VIT University for the past 25 years has made a mark in the field of higher education in India imparting quality education in a cross-cultural ambience, intertwined with extensive application oriented research. VIT has secured the 8th National position (India Today 2010) among the Engineering Institutions in India. Established by well-known educationalist and former Parliamentarian, **Dr. G. Viswanathan**, Founder and Chancellor is a visionary who transformed VIT into a center of excellence in higher technical education. His dream has taken the shape of VIT University, Chennai Campus (VIT-CC). Spearheaded by **Mr. G. V. Selvam**, Vice President, the institution is making leaps and bounds in professional programs close to the heart of Chennai City. The Vice President has a mission to make this a global center with the latest learning facilities. **Dr. V. Raju**, former Professor of State University of New York, USA, currently the Vice Chancellor, strives to internalize the world class educational standards. **Dr. Anand A. Samuel**, Pro-Vice Chancellor leads the team in Chennai with the following objectives:

- To maximize Industrial Connectivity
- To create Centers of Excellence in niche areas of research
- To enrich Technological and Managerial Human Capital nurtured in a multicultural ambience
- To provide a common platform for the agglomeration of ideas of personnel from various walks of life for learning enrichment
- To create opportunities and exploit the available resources to benefit industry and society
- To encourage participation in the National Agenda of knowledge building
- To foster International collaborations for mutual benefits in areas of research.

**One Day Workshop**  
**On**  
**QTP Testing**  
**15<sup>th</sup> November 2013**

**Co-Ordinators**  
**Dr.V.VijayaKumar**  
**Prof. M.Suganya**

**Organized by**  
**School of Computing Science & Engineering**

**VIT University,**  
**Chennai Campus**

**VIT - A place to learn; A chance to grow**

## About SCSE

The School of Computer Sciences and Engineering at VIT University was established for imparting a state-of-the-art education, training and research in the field of Computer Science and allied areas. It offers B.Tech., M.Tech., M.S (Software Engineering) & M.S (By Research), MCA and Ph.D. Programmes in the domain of Computer Science and Engineering. The expertise of the faculty members includes Theoretical Computer Science, Data Mining, Distributed Computing, Networks, Software Engineering, Signal Processing, Image Processing, Speech Processing, High Power Clustering, Networks and all frontier areas.

## Mission of SCSE

- To generate competent professionals to become part of the industry and research organization at the National and International levels
- To provide necessary strengths to enable the students to innovate and become entrepreneurs
- To promote self-learning ability among the students
- To develop the skill of applying what has been learnt

## Resource Persons

The Sessions will be delivered by experts from Industries

## Target Audience

The workshop is aimed at the multi-facet audience from Industry participants, Full time Research Scholars, UG / PG Students and academicians from Engineering colleges in various disciplines like CSE, IT, MCA, MS.

## Workshop Theme

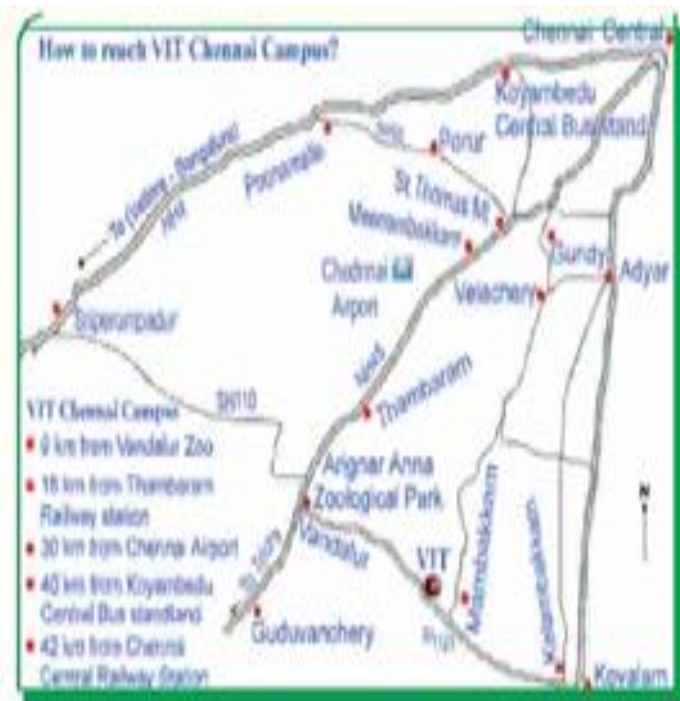

Quick Test Professional (QTP) is an automated functional Graphical User Interface (GUI) testing tool which is primarily used for functional regression test automation. QTP uses a scripting language built on top of VBScript to specify the test procedure, and to manipulate the objects and controls of the application under test. It is able to work

with any web, java or windows client application. Quick Test enables you to test standard web objects and ActiveX controls. In addition to these environments, Quick Test Professional also enables you to test Java applets and applications and multimedia objects on Applications as well as standard Windows applications, Visual Basic 6 applications and .NET framework applications

## Objective of Workshop

- To gain knowledge on Testing & testing tools and their impact in real world applications.
- To provide knowledge on automated tools and recommendations in developing an effective and manageable Testing environment and to improve the quality of the software products.
- To identify the research areas in the latest happenings

## Route Map

# One Day Workshop On QTP Testing 15<sup>th</sup> Nov 2013
